To whom it may concern:

The Department of Arts & Culture feels that the Concept presented by Nicolas Dranias regarding Le Vue Floating Restaurant/Events Venue will be both beneficial to the growth Local and International Arts & Culture Events held in Durban.

Being a unique Venue and Concept Le Vue will be striving to grow and nurture local and upcoming artists whereby they can perform in a unique venue with the confidence that artists will know that they have a strong support background both from the Department of Arts & Culture and Mr. Dranias.

We feel Le Vue will encourage struggling and up and coming musicians and artists to follow their dreams within a uniquely Durban concept giving them a platform to showcase their talents.

The Ethekwini Municipality supports this venture.

Thank you

Yours Faithfully
