SUBJECT : **LETTER OF SUPPORT**
LE VUE FLOATING RESTAURANT/EVENTS VENUE FOR DBN
HARBOR

DATE : 12 October 2012

Dear Sir/ Madam,

The eThekwini Municipality (Durban Tourism) has received notification of the intentions of Mr. Nick Dranias, to have a Le Vue Floating Restaurant/Events Venue at the harbour.

It is the view of Durban Tourism that this concept presented regarding Le Vue Floating Restaurant/Events Venue will be both beneficial to the Durban Local and International Tourism markets, and have huge positive impact on the economy of Durban.

We feel this will be great for the Mariner and will attract local and International guests to Experience Durban's dramatic skyline and a different view and perspective of EThekwini, making it a quintessential Durban experience.

The Concept falls under the Tourism DTI Grant and is one of a kind in South Africa and Durban will be the first market to have this operating out of its waters and Port.

Yours sincerely,

.....
Mr. Phillip Sithole
Head of Department
Durban Tourism
